## ACTIVE VERBS/PHRASES THAT CAN BE USED TO DOCUMENT MENTAL HEALTH SERVICES (MHS) INTERVENTIONS

*This is not ar	n exhaustive list
Assessment:	Plan Development:
Assessed for (risks, strengths, trauma, etc.)	Clarified plan
Analyzed	Coordinated
Completed assessment	Created/Developed plan for (issues) (describe plan)
Conducted assessment	Discussed planning
Determined	Established plan for
Evaluated	Evaluate effectiveness of plan
Gathered history	Explored plan options
Gathered information	Focused/refocused on planning
Reviewed	Gave feedback on plan
Tested	Helped client redefine plan
	Modified/adjusted plan
	Monitored adherence to plan recommendations
	Planned for
Rehabilitation:	Collateral:
Assisted client in/withby developing skills in	Assisted significant support person in/with to support
	client
Clarified skills building technique	Clarified skills building technique
Cued	Coached significant support person
Discussed	Demonstrated
Directed/redirected	Educated/informed significant support person
Educated/explained/informed	Encouraged significant support person to assist client in
Encouraged	Expanded knowledge on
Established boundaries/set limits	Explained to significant support person
Focused/refocused	Follow up on
Follow up on	Gave/provided feedback
Gave/provided feedback	Guided significant support person
Guided	Helped significant support person develop skills infor
Helped client develop skills infor	Led significant support person in practicing
Led client in practicing	Modeled
Modeled	Observed
Observed	Recommended
Recommended	Reinforced
Reinforced	Reviewed skills/techniques
Reviewed skills/techniques	Role-played
Role-played	Sought clarification of client progress and/or
	understanding of client condition or skills/technique
Skill Building in (advocacy/assertiveness training,	Taught significant support person in skill
conflict resolution, relaxation techniques, etc.) to/for	
Sought clarification of client progress and/or client	Trained significant support person in skill
understanding of skills/technique Taughtskill	Worked on
